

## Cedar Marina Spring Commission Checklist

Please check off the work you would like performed to your boat and sign below. If you require a service that is not on the list, please call our office. The length of your boat will be determined by **LOA** or length overall which includes swim platforms, pulpits, outboards, etc. A 1% environmental charge will be applied to all invoices. All services are for labor **ONLY** unless otherwise stated. Please return the first page of this form and a minimum of 50% deposit as soon as possible. Service work will be performed in the order these forms are received.
